

Data Protection Statement for Little People UK

You have completed a membership form for Little People UK, where you gave us:

- Information about yourself and your family e.g. age, dwarfism etc.
- Contact details e.g. house address, telephone number etc.

How Little People UK will use the information about you

The information about yourself and your family will be used to:

- Monitor the variety of members we have within Little People UK
- Update our database, to ensure we have the most recent and relevant information
- Help us plan for regional activities and fundraising events

Your contact details will be used to:

- Invite you to regional and national events that Little People UK will be holding throughout the year
- Send any relevant information or literature which Little People UK may produce in the future

We will not do this if you indicate to us that you do not want your details to be used in this way.

How Little People UK will not use the information about you

The data you have provided will not be:

- Shared with any third party for any reason
- Transferred outside of the European Economic Area

We will not collect any further data from you, unless you have given prior permission. If you would like any of your data to be updated, please contact us accordingly.

Security procedures in accordance to UK data protection legislation are in place, with regards to disclosure and storage of data you have provided.

If you have any questions or require further information about how Little People UK is using this data, or would like to know what information we have about you, or you have a complaint regarding data protection, please contact us at: members@littlepeopleuk.org
