

Code of Conduct - Online Events

Little People UK are committed to providing a safe, caring, healthy and respectful environment for all members and guests. We ask individuals to act appropriately at all times when attending our online events.

Our Code of Conduct promotes positive interactions with others and the protection of our members is of paramount interest to LPUK.

For online events we ask that you do not pass on the login details to others, we will only accept those who have requested via LPUK and will not accept those who have not received official information from LPUK Admin, this is to ensure the online event is kept safe for all taking part.

Where necessary, microphones will be muted (i.e for quizzes), however you will always be able to use the chat function within Zoom.

All Zoom sessions will be monitored through LPUK Admin and anyone seen to be acting inappropriately will be removed immediately. Additionally, if any safeguarding issues arise, LPUK Admin will follow the normal protocol, which can be found in our policies on our website - <https://littlepeopleuk.org/about-us/policies>

We ask that all under 18 have an adult present in the room, they do not have to be visible on screen, however they must be present in the room.
