

Code of Conduct - Volunteer

Thank you for volunteering to help Little People UK throughout our event, we really do appreciate all of the time and effort volunteers can give to LPUK throughout the year, and particularly during events.

On the next page we have designated the various roles/positions which need covering over the course of the convention, the team leader for each of these is indicated in **bold**.

During any volunteer role you are acting as a representative for LPUK and below are some guidelines we would like you to consider during this time;

- ★ *Embody the ethos of LPUK, ensuring everyone is made to feel welcome and included, even if they have been to events before.*
- ★ *Wear your LPUK t-shirt/hoodie whilst in a volunteer role/position.*
- ★ *Do not drink any alcohol during your time as a volunteer, in particular whilst wearing LPUK clothing.*
- ★ *Ensure any stalls/tables are kept tidy and presentable at all times.*
- ★ *If you have been designated a specific role e.g. to cover a stall, please do not leave it unattended. If you need to take any kind of break, please speak with the Runners team leader who will arrange cover until you can return.*
- ★ *Ask someone if you are unsure of anything.*

Most of all, we ask that everyone has fun and makes the most of the weekend!

Thank you.
